The wheels on the bus go
Round and round,
Round and round,
Round and round.
The wheels on the bus go
Round and round,
All through the town.

Verses:

The driver on the bus says, "Move on back," ...
The doors on the bus go open shut ...
The horn on the bus goes beep, beep, beep ...
The wipers on the bus go swish, swish, swish ...
The money on the bus goes clink, clink, clink ...
The baby on the bus says, "Wah, wah, wah," ...
The mommy on the bus says, "Shush, shush, shush,"...

Verse 1:

Row, row, row your boat gently down the stream.
Merrily, merrily, merrily, merrily life is but a dream.
Sway, sway, sway your boat; rock from side to side.
Merrily, merrily, merrily, merrily, life's a wild ride!

Chorus:

Spin, spin, spin your boat;
Round and round and round she goes.
Where-ily, where-ily, where-ily, where-ily,
Where she stops nobody knows.

Verse 2:

Jump, jump, jump your boat 'til you almost make it tip.
Merrily, merrily, merrily, merrily life is a trip.
Shake rattle and roll your boat from the stern to the bow.
Merrily, merrily, merrily, merrily, life is here and now.
Repeat chorus.

Verse 3:

Drum, drum, drum your boat a band in river rock beat.
Merrily, merrily, merrily, merrily life sure is sweet.
Dance, dance, dance your boat, boat down the river blues
Merrily, merrily, merrily, merrily life's a journey, too.

Twirl, twirl, twirl your boat gentle wind and river boat
Swirl, swirl, swirl your boat livin' on those highs and lows.
Repeat chorus.

People on the Bus

Don Monopoli

© 1993 All-Time Children's Favorites

I like to sing this song when I go for a ride with my mom.

I sing it when I go on a field trip with my class.

I sing it when I pretend I'm driving somewhere.

Why don't we all sing it right now? Yea!

The people on the bus go up and down,

Up and down, up and down.

The people on the bus go up and down,

All through the town.

Verses:

The driver on the bus says, "Move on back"...

The horn on the bus goes beep, beep, beep...

The wipers on the bus go swish, swish, swish...

The seatbelts on the bus go click, click, click...

The wheels on the bus go round and round...

The baby on the bus goes, "wah, wah, wah"...

The mommy on the bus says, "Shhh! Don't cry"...

The cow on the bus goes, "moo, moo, moo."

A cow... You can't fit a cow on the bus. It's too big. Moo!

The people on the bus go up and down,

Up and down, up and down.

The people on the bus go up and down,

All through the town.

Amazing Rocket Ship

Pre-verse 1:

One fine day the sun failed to rise.
We all woke up to black and lonely skies.
How would we see and how would we grow?
We all need the sun to live, you know.
So, we climbed into our amazing rocket ship.
10 9 8 7 6 5 4 3 2 1
Blast off! We're headin' for the sun

Verse 1:

So, we flew into space and finally reached the sun
And with our space megaphone, said, "Shine, shine!"
Well, that didn't work 'cause he was sleepin' pretty deep
So we got a runnin' start and we jumped on him
'til he laughed a belly laugh and opened up his eyes
And brightened up the skies with his fire.
He said, "I guess I'm bone-tired from risin' in the morn
Every single day since the universe was born! (the
universe was born!)"

Chorus:

We and our amaaaaaaaazing rocket ship
Saved the day!

Pre-verse 2:

One fine eve the moon failed to wax,
Stayed a skinny little crescent while a whole long
month passed.
Who would bring the tides and who'd light up
the night?
We need the moon to be full, that's right!
So, we climbed into our amazing rocket ship.
10 9 8 7 6 5 4 3 2 1
Blast off! We're headin' to the moon.

Verse 2:

So, we flew into space and finally reached the moon
With our space megaphone yelled, "Shine, shine!"
Well, that didn't work she was too empty to fill up
So, we called the dish and spoon and said, "Feed her!"
And we got the dog to laugh and the cat to the play
the fiddle
And we even got the cow to jump over her
Until she filled right up into her chubby round self
Singing, "I was sad and lonely but the party's sure here
now (but the party's sure here now)!"
Repeat chorus.

Pre-verse 3:

One fine night the stars failed to come out.
Nothin' up there to twinkle about.
How would we wish and navigate our way?
We need the stars to shine, we say!
So, we climbed into our amazing rocket ship
10 9 8 7 6 5 4 3 2 1
Blast off! We're headin' to the stars.

Verse 3:

So, we flew into space and finally reached the stars.
With our space megaphone yelled, "Shine, shine!"
Well, that didn't work the sky was still black as pitch
So, we closed our eyes and wished for a light switch.
And right then and there one materialized so we
flicked it on.
The sky was filled with diamonds they said,
"We love to blink and twinkle all night long
But someone's gotta remember to turn us on
(turn us on)!"
Repeat chorus.
