Invite children to remove a shoe and point to each toe as it is mentioned in the song.

This little piggy went to market.
And this little piggy stayed home.
This little piggy had roast beef,
And this little piggy had none.
And the last little piggy
Our favorite little piggy
The one piggy we all know
Said, "*Hey it's no biggie but I don't play piggy.
I'm just a sweet baby toe.*"

This little piggy went shopping,
And this little piggy did not.
This little piggy turned on the air conditioner,
And this little piggy said, "Boy is it hot!"
And the last little piggy
Our favorite little piggy
The one that we all know
Said, "*Hey it's no biggie but I don't play piggy.
I'm just a sweet baby toe.*"

Now the first little piggy said, "What's wrong?"
And the second piggy said, "I don't know."
The third and fourth piggy said, "It's the little baby
He doesn't want to be in the little piggy show."
And the last little piggy
Our favorite little piggy
Said, "*That's nicely put.
Hey it's no biggie but you can't be a piggy
When you're stuck on this foot.*"

♪ Mary Had a Lil' Lamb

Lamb, little lamb.
Mary had a lamb, little lamb.
Mary had a lamb, little lamb.
Mary had a lamb, little lamb.

Mary had a little lamb.
Whose fleece was white as snow.
And everywhere that Mary went.
The lamb was sure to go, to go.

Sheep are really cool creatures.
Some sheep are raised for their wool.
Baby sheep are called lambs.
When a lamb gets a haircut or on the farm,
When a lamb gets sheared, the hair is called wool.
The wool is turned into yarn.

We use yarn to make scarves, hats, sweaters and other clothes.

Lamb, little lamb.
Mary had a lamb, little lamb.
Mary had a lamb, little lamb.
Mary had a lamb, little lamb.

Lambs will drink their mother's milk until they are around four months old.
They begin nibbling on grass, grains, and hay starting at two weeks of age.
Lambs can be bottle fed if their mothers can't feed them.

Lamb, little lamb.
Mary had a lamb, little lamb.
Mary had a lamb, little lamb.
Mary had a lamb, little lamb.

In this nursery rhyme, we say the lamb's fleece is white as snow.
Fleece is coat of hair being cut or as they say on the farm "sheared."
After the lamb is sheared, the fleece is turned into yarn, sweaters and other clothes.

Lamb, little lamb.
Mary had a lamb, little lamb.
Mary had a lamb, little lamb.
Mary had a lamb, little lamb.
