

Community Helpers

Shawn Brown

Shawn Brown Role Model Productions, Inc.

Chorus:

Community helper, that's what I am.
I'm in the neighborhood doing what I can.
Community helper, that's what I am.
I'm in the neighborhood doing what I can.

I am a **doctor**. I am here to help you.
If you get a cold or you get the flu,
Come see me, I'll tell you what to do.
You might take a pill. You might get a shot.
Let me feel your head. Whoo, that's hot!
Repeat chorus.

I am a **fireman**. I'm here to help you.
If you see a fire or a cat in a tree
Dial 911 that's how you get me.
If your shirt's on fire, stop, drop and roll.
I don't care if you're 90 years old.
Repeat chorus.

I'm a **policeman**. I'm here to help you.
If you get lost don't know what to do,
Just talk to me and I'll show you.
I help good people, take bad ones to jail.
Handcuffs on and we throw 'em in the cell.
Repeat chorus.

I'm the **mail carrier**. I'm here to help you.
I'll bring you the mail. I'll pick it up, too.
I'm postal, that's what I do.
Rainy night, cold or snowy
Nothin' stops the mail from going.
I can't see your address when I'm in the fog.
I really hate when I can't see your dog!
Repeat chorus.

Jobs Matter

© Mr. AL and Becky Bailey

My job matters, it helps my mind.
It's fun to do and contributes, too.
I don't mind, and my job matters.
I've got a new job. Jobs matter! (Jobs matter!)

In our classroom we work as one.
Each person's job must be done.
Job descriptions teach you and me
How to be a School Family.

The Materials Manager hands things out.
Attention Getter says, "Shhh, don't shout."
The Playground Helper calls us in.
The Morning Messenger says, "Let's begin."
The Book Monitor straightens things up.
The Snack Helper gives us a cup.
The STAR Person reminds us to breathe.
The Goodbye Person helps us to leave.

Our jobs matter, they help our minds.
They're fun to do and contribute, too.
We don't mind, and our jobs matter.
We've got new jobs 'cause jobs matter! (Jobs matter!)

Yes, we've got new jobs 'cause jobs matter! (Jobs matter!)
Yes, we've got new jobs 'cause jobs matter! (Jobs matter!)
Jobs matter!

Invite children to listen to the children's ideas and then act out each new community worker action as you sing the verse multiple times. End the song by putting all the actions together.

Buckle Up

We like to travel in our car.

Hurrah! Hurrah!

A car can take us near and far.

Hurrah! Hurrah!

We buckle up before we go,

Whether we're going fast or slow.

So we'll all be safe

While riding in the car.

We buckle up before we go,

Whether we're going fast or slow.

So we'll all be safe

While riding in the car.
