Good morning to you!
Good morning to you!
We're all in our places
With bright, shining faces.
This is the way to start a great day!

Good afternoon to you!
Good afternoon to you!
We're all in our places
With food on our faces.
This is the way to have a great day!

Good evening to you!
Good evening to you!
Stars and moon in their places,
As they go through their paces.
This is the way to end a great day!

Welcome to School

Stephen Fite

Chorus:

Welcome to school
I'm glad to see you here.
We'll sing every day.
And we'll learn throughout the year singin'
La-la-la-la
La-la-la-la-la
La-la-la-la-la-la
La-la-la-la-la-la

Come on, come on, come on
And clap your hands with me.
Come on, come on, come on
And tap your feet with me.
Now do them both together
It's easy as can be.
When you do them both together
You'll do them just like me.

Repeat chorus.

Come on, come on, come on
Sway back and forth with me.
Come on, come on, come on
And roll your hands with me.
Now do them both together
It's easy as can be.
When you do them both together
You'll do them just like me.

Repeat chorus.

Come on, come on, come on
And pat your lap with me.
Come on, come on, come on
And shake your head with me.
Now do them both together
It's easy as can be.
When you do them both together
You'll do them just like me.

Repeat chorus.
