Six on the Bed

Don Monopoli

© 1998 *Here We Go Loopty Loo*

There were six on the bed and the little one said,
"Roll over." (roll over)
So they all rolled over and one fell out
And that's when you could hear them shout,
"I JUST WANT SOME SLEEP!"
So, the one that fell out just started to pout and the
others just rearranged.

*(Repeat verse above using the numbers five, four,
three, two.)*

Last verse:

There was one on the bed and the little one said, "Roll
over."
But no one rolled over
So he tried it again and he said, "Roll over."
And still no one rolled over
So he tried it again louder this time, and he said, "Roll
over."
And then he heard the others say,
"I JUST WANT SOME SLEEP!"
Good night, sleep tight, don't let the bed bugs bite."
And then the little one said, "I'll finally get some sleep."

Skidamarink

Teach children the words and hand movements to Skidamarink.
Invite children to name someone they love
and someone who loves them.

Skidamarink a dink a dink,

Put left hand under right elbow, right arm goes up, twist right hand and wiggle fingers

Skidamarink a doo,

Put right hand under left elbow, left arm goes up, twist left hand and wiggle fingers

I

Point to eyes

love

Hands over heart

you

Point to other person

I love you in the morning

Hands touching in air overhead—like a sunrise

and in the afternoon,

Bring hands down in front still forming circle waist high

I love you in the evening

and underneath the moon.
